One of the most interesting topics of discussion in the Board of Health meeting yesterday was the inspection of the Chinese district for the purpose of having the place as free from causes of disease as possible.

The resignation of G.W. R. King as health inspector was, to a certain extent, the cause which led up to the discussion.

What is known as Chinatown takes in the Ewa side of Nuuanu street and runs from the sea to Beretania street, and it was within these borders that the citizens' committee, during the cholera scare, worked hardest to keep clean. While known as Chinatown, a visit to the district will show that the population is nearly equally divided between Hawaiians and Asiatics.

The difficulty in keeping this section of the city in good sanitary street and the water on the mauka of the Wilder S. S. Co. who was en condition was explained to an side has no outlet. What was hourd.

Vice-Chancellor SIR W. PAGE WOOD stated publicly in court that Dr. J. COLLIS BROWNE was undoubtedly the INVENTOR of CHLORODYNE, that the whole story of the defendant Freeman was deliberately untrue, and he regretted to say it had been sworn to. See The Times, July 1864

Dr. J. Collis Browne's Chlorodyne is a liquid medicine which assuages PAIN of EVERY KIND, affords a calm, refreshing sleep WITHOUT HEADACHE, and INVIGORATES the nervous system when exhausted. Is the Great Specific for Cholora, Dysentry, Diarrhea.

The General Board of Health, London, report that it ACTS as a CHARM, one dose generally sufficient.

Dr. Gibbon, Army Medical Staff, Cal-cutta, states: "Two doses completely cured me of diarrhœa."

Dr. J. Collis Browne's Chlorodyne is the TRUE PALLIATIVE in Neuralgia, Gout, Cancer, Toothache, Rheumatism. Dr. J. Collis Browne's Chlorodyne
